Getting Started

Email us on sales@dolsoninteriors.co.tz or call us on +255 789 888 999 or the best option would be to meet us at our showroom on 3 Chole Road. A dedicated sales person will be allocated to you to handle your furnishings from start to completion.

Once we have finalized any additional selections with you, we would start working on furnishings 'made just for you'. We deliver and install for all our clients who request the service from us. Our purpose is to provide you a hassle-free experience from start to finish.

How do we work?

You may have a look that you want to achieve, and we are here to help you achieve that. You may not know where to start and we guide you through the process. That's what we do!

Our expertise is window treatments and soft furnishings. We custom-make Curtains, Blinds and Sofa sets based on the space and aesthetics.

Installation & After Sales

Dolson is known for its excellent after-sales support after over 15 years of servicing Tanzanian Commercial and Residential Spaces. We are here for you long after the installation.
